

MD13 Ohio Lions District Governors

1920 to present

Ohio has produced 651 District Governors. In the late 40's District Governors who served were called International Counsellors. This name was carried out until 1965. We know them as Past District Governors (PDG) after they served there term. The Information provided here from 1920-1965 shows what District the Governor originally served in and the District the Governor would have served after the re-districting of 1966.

Most of the city's or towns mentioned from 1920-1965 had a Lions club. The Governors club name is shown from 1966 to present.

Compiled by Lion Bill Keller 13E.
