

Journey Of Hope Fellow Ohio Lions Pediatric Cancer Foundation

The Journey of Hope Fellow is for those who want to go further to help children beat cancer. Many families spend hundreds of dollars a month transporting their child to designated hospitals that treat children with pediatric cancer.

To help those families, the Ohio Lions Pediatric Cancer Foundation has started the “Gas Card Program”; a simple name that does so much. The program will provide up to two \$75 gas cards per month for a period of up to six months based on need. Only families who have children in active treatment for any form of pediatric cancer are eligible. (“Child” is defined as birth up to 18 years old.)

This is where you come in to help our Foundation - to be able to supply gas cards to all of the families we have implemented a new program; the “Journey of Hope Fellow”. One hundred percent of the funds for JOH Fellow will be used to purchase gas cards. A donation of \$300 will make you a JOH Fellow. Donations can be a lump sum or over a period of time. Every JOH Fellow supplies two months of gas cards to an eligible family. When you donate, you will receive our thanks, help a family, and you can proudly wear a JOH Fellow Pin.

The Journey of Hope Fellow gas card initiative will allow all other OLPCF donations go to further cancer research. To date OLPCF has donated \$125,000 to cancer research hospitals in Ohio since its beginning and supplied over \$12,000 in gas cards.
